1:30 p.m.

**COMMUNITY ROOMS  
FREE PROGRAM**

Wildlife and environmental issues attracted writer Dan Linehan to Antarctica and other remote places, such as the Falklands, South Georgia Islands, and Patagonia. Years later, he returned to some of these places, and a 90-day journey to Argentina transformed into an unexpected year-and-a-half adventure. Dan will show photos and videos of his adventures and share wild stories of penguins, shipwrecks, distant lands, and a catastrophic storm.
