Youth
Environmental
Action Summit
of the Tri-Valley
2 0 1 9

September 7, 2019
4 - 7 PM

Amador Valley High School
Multipurpose Room
1155 Santa Rita Road,
Pleasanton, CA 94566

WELCOME !!

Mission Statement:

To empower young activists with the knowledge and resources to conquer the climate crisis and to demonstrate youth's potential to join together to promote real, lasting change. The youth of the Tri-Valley will stop at nothing to save the earth, for it's time to give up our excuses or give up our home!

*What have you
LEARNED about
environmental action?*

Sketch and/or write

Speakers

United States Representative

Eric Swalwell

Currently on his 3rd term, Swalwell continues to bring new energy, ideas and a

problem-solving spirit to Congress. He focuses on advancing policies that support equality, opportunity, and security.
